Each topic involves **3 steps**, using the case study method:

- 01 The couple review and discuss the case together
- 02 The couple review the case in a small group with other couples
- 03 Finally all couples take part in a General session reviewing the case together with an expert in Family Development

## Logistics

- The course involves meeting 2 times a month from August to December 2022.
- The sessions together (smaller group and general sessions) are held in person.

## Course Benefits

- An enlightening and helpful way to connect and develop friendships with other couples facing similar challenges
- Share wisdom with other couples who are committed to self-empowerment, improving their marriages, and uplifting family life
- Acquire lifelong skills to analyse case studies with identifying problems based on facts, and exploring possible practical solutions
